

Publishing Your Article in a Fully Open Access Journal

Open access payments made easy with your institution or funder

STEP 1

Visit Wiley's [Journal Finder](#) and choose one of our fully open access journals.

STEP 2

During submission*, you will be asked to confirm your institutional affiliations to accompany your manuscript.

Affiliations
Help us find the organization that best matches each affiliation you provided. We use Ringgold as our affiliation database. [Learn more](#).
Your selections are for internal purposes and will not be published.

This information will also be used to determine your eligibility for funding through your institution.

Automatic Discounts and Waivers / Wiley Open Access Accounts
APC coverage, discounts, and waivers are only applied if the corresponding author is eligible.

Discounts this submission is eligible for
If you're eligible for multiple discounts, the highest available discount will apply.

Open access APC discount or coverage
Because the corresponding author Venetia Lipscombe is associated with University of Oxford, this submission may be eligible for the Article Publication Charge (APC) to be discounted or entirely covered. If accepted, Wiley will contact you with further instructions.

If you are not eligible for APC funding coverage, you may have a second opportunity to apply once your article is editorially accepted.

STEP 3

Your institution is notified of your request and asked to approve.

STEP 4

If your request is approved, you will receive a confirmation email. If your institution or funder has sufficient funds available, your accepted article is then published **open access** under a Creative Commons license on Wiley Online Library.

If your request is denied, you will receive an email asking you to pay for your APC. If your affiliations change, you can make updates once your article is editorially accepted. Paid articles are then published open access under a Creative Commons license on Wiley Online Library.
